WSMOS
Washington State
Medical Oncology Society

WHY JOIN WSMOS?

Our mission is to promote the highest professional standards of oncology in Washington.

How do we do this?

We advocate for every member in Washington through our key partnerships to ensure you'll stay informed on key oncology policies, take action on state and federal issues, and help shape advocacy efforts that impact patient care.

We connect cancer centers members with local partners and industry leaders to strengthen your practice and advance oncology care.

We educate our members through our in-person events that provide valuable resources, learning, and networking opportunities.

How to be involved?

- Join our Legislative Committee to help advocate for issues within the state (physicians only)
- Join us at an upcoming in-person meeting here: WSMOS Upcoming Events
- Join our policy listserv to get legislative updates and volunteer to meet with local legislators (training provided!)
- Contact Brandon Lawrence, WSMOS Executive Director, at blawrence@wsmos-oncology.org

Who can become a member?

Membership is **complimentary** to all oncology practices and universities, as well as individual physicians, allied health professionals, fellows, and retired professionals practicing in Washington.
